### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with William Frommer on 3/11/08.

Specification, page 2, line 11, after "An information receiving device", delete "according to Claim 1".

Specification, page 2, line 19, after "A method for receiving information", delete "according to Claim 6".

Specification, page 3, line 3, after "An information transmission device", delete "according to Claim 8".

Specification, page 3, line 8, after "a method for transmitting information", delete "according to Claim 10".

Specification lines 13-21, delete "In the information transmission device according to Claim 8 and the method for transmitting information according to Claim 10, a response program and specifying information to specify the

response program are transmitted. And in the information receiving device according to Claim 1 and the method for receiving information according to Claim 6, points are operated corresponding to a viewer's response to the response request of the response program, and the points are recorded together with the specifying information. "

#### **DETAILED ACTION**

##### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

The prior art of record, alone or in combination fails to specifically disclose or suggest the device as claimed in claim 12 and method as claimed in claim 15 in which a determination is made if a program is a pay program or commercial program, and if the program is a commercial program, if the commercial program includes a response request, the request may be received at any time during the commercial program and the response request is displayed when the commercial program has been viewed in its entirety, awarding points for viewer responses and utilizing and subtracting points from a memory in a receiver to receive a pay program.

Claims 12, 14, 15 and 17 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
